## HDFP Certification Program™

The City of San Antonio and Citigroup are bringing the National Development Council's Housing Development Finance Professional (HDFP) Certification Program™ to San Antonio! This 4-course program is an intense and comprehensive training series that thoroughly examines the practice of affordable housing finance and development. Participants learn the steps of the housing development process, the techniques used to analyze and structure financing for home ownership and rental housing deals, and the problem solving and negotiating skills needed to make complicated projects feasible. The latest techniques and new and evolving tools of affordable housing development are incorporated in the four courses.

Participants who successfully complete the four courses and pass each examination are awarded NDC's HDFP Certification™.
